TRANQUILITY

132 acres

Sprawled across this eco-development is the **10 acres of lush, green spaces** adorned with waterways, lakes, creeks, landscaped parks, walkways, and forest park. These amenities are located within a secured precinct to ensure total peace of mind.

SECURITY

Green and **secured living** are the main focus of Taman Nuri, the luxury residential enclave located in the heart of Durian Tunggal, Melaka. A guarded community offers serenity in everyday living, while the seamless integration of green spaces makes Taman Nuri a highly desirable development which is built in sync with its environment.

BUILT WITH **ECO FRIENDLY FEATURES** TO ENCOURAGE A SUSTAINABLE LIFESTYLE

QUALITY LIVING

Each home is adorned with high-quality finishing and craftsmanship – elements which reflect the developer's dedication in ensuring high standards of supervision and quality control. Taman Nuri Homes are built with gracious interiors which encompass creative expression, wide and open layouts that encourage ample natural lighting and cross ventilation.

LIFESTYLE FACILITIES

Designed to beautifully reflect the peaceful surroundings, Taman Nuri is an established township where harmonious community living is nurtured, letting you create moments of togetherness with your loved ones.
