THE PATHWAY TO GRANDEUR

It is here where it all starts, at a majestic entrance that exudes elegance. Drive up to the drop-off point to be greeted by its sophisticated craftsmanship and refined contours that are perfectly balanced to match your exclusive lifestyle.

The image depicts a sophisticated, modern interior space, likely a lobby or lounge. The room features a curved, light-colored sofa with two orange throw pillows. In front of the sofa is a large, dark, circular coffee table. The floor is a light, polished material with concentric circular lines. A large glass wall on the right side of the room offers a view of an outdoor area with trees. The ceiling is high and features a large, illuminated, curved light fixture. The overall design is clean and contemporary.

THE GRAND ENTRANCE

The exclusivity begins as you step foot through the doors of the Grand Lobby with double-volume ceiling height and luxurious interiors leading in from the spacious drop-off area. It is the perfect way to welcome you home! Plus, you can enjoy additional convenience with services such as food delivery collection points and parcel lockers. Meanwhile, your safety and privacy is assured with CCTV surveillance, e-intercom and multi-tier security access cards.

ELEVATING TO THE HIGH LIFE

The Vesta is a sophisticated urban high-rise that offers a variety of layouts to suit your needs with high quality interiors enhanced with smart home and community app features. As the skyscraper in the vicinity, you can enjoy views of the Bukit Dinding mountain range and the KL city skyline.

Surrounded by lush green landscaping and a wide range of sky facilities at your doorstep, your lifestyle is complete here at The Vesta.
